

CAIRO CABARET

Leonie Sukan welcomes you to

Welcome Friends.... Let us look at tonight's evening of entertainment at the CAIRO CABARET.

For starters, our fabulous evening begins with our truly amazing band, the SOUNDS OF THE SAHARA, who will accompany MELISSA KRISTINA, our first supreme soloist, who is sure to dazzle you.

Then another Sydney fave, the Gorgeous GEORGETTE, burns up the dance floor. Then it's time to sit back, relax and bask in the glorious dancing of JANNA.

Dinner is served while the Sounds of the Sahara permeate the air. Please feel free to dance if you're bustin' to groove.

Then let Sydney's own dynamo, JRISI, who's back from an overseas tour, entertain you.

At last, another chance to show us what you've got as we welcome back the Sounds of the Sahara.

And from the sparkling lights of the Gold Coast comes the effervescent ELENIE, who is ever ready to captivate you.

The passion heats up, as we welcome from across our own vast desert sands, ROSE from Perth. Alright everybody, get back on the floorboards. The Sounds of the Sahara are ready to roll..

For an unsurpassable finale, let SHIVA delight you (pls restrain yourselves Ladies).

The Sounds of the Sahara will take you home as we bid adieu to friends for another year (Hint... hurry up, last chance for dance).
