## Teacher Application Form

**EXPOse your school, your teaching style and your areas of expertise to potential new students by running one of Belly Dance Expo's free classes.**

This year Belly Dance Expo is offering teaching slots to help you to publicise your teaching skills and specialties and to promote your belly dance school.

Thirty-minute teaching slots are available for \$25.00 each with a limit of two slots per teacher. You can nominate whether you would like to teach one thirty-minute class, a one-hour class, or two separate thirty-minute classes.

You can nominate a name for the class/es, the content you will teach, and your preferred timeslot/s.

Classes will be allocated on a first come, first served basis.

Classes will be free for participants after entry and they will not be required to book for these classes. Participants may range from those with no prior bellydance experience to more experienced students who want to get a taste of your teaching. If you want to pitch your class towards a particular skill level please specify that on the attached form.

The Class Program will be promoted on the Belly Dance Expo website:

<http://www.sydneyfest.com/bdexpo> We will include a link to your School's website, if you have one, along with an image of your choice if you supply one.

To book your teaching slot, fill out the Teacher Application Form overleaf and return it to us as soon as possible along with your payment details. Once your slot is confirmed we will add your class details to the program on the website, so for maximum publicity be sure to book your slot as soon as possible! Applications close when all spots are taken.
